Dear Ms. McLaughlin,

Thank you for your letter dated 6/20/2011 (attached copy).

I am the patentee in connection with the captioned patent. I am in receipt of your request for information dated June 20, 2011.

I am writing you this letter in response to your request. Specifically in your letter, you requested that I address certain points in further support of my petition to reinstate this Patent.

Accordingly, please note that I did receive the referenced Siemen's law firm letter dated October 14, 2006. Upon my receipt of that letter, I immediately completed the change of the correspondence address form which was enclosed with the letter, and I forwarded it to the Law Offices of Mark Levy at 19 Chenango St. #902 Binghamton, NY. 13901. Enclosed for your reference is a copy of the completed Change of Correspondence form which I had previously sent to Mr. Levy's office.

Moreover, my understanding was that my running deposit on account with Siemen's law firm was being forwarded to Mr. Levy's office so that Mr. Levy could continue to make the maintenance payment on this patent.

I was using the services of Siemen's Patent Services for 9 years, and I trusted him fully with the upkeep and maintenance of my patent. My expectations and understanding based on Mr. Siemen's referral of Mr. Levy's firm, was that Mr. Levy would continue upkeeping my account with the same level of diligence. After all, they are the ones with the expertise to handle such matters and that is why I had decided to use their services in the first place.

If you require any additional information from me, please feel free to contact me.

Thank you for your consideration on this matter.
